Regional News

On Disability Sunday, June 6th, Lydia Tebbutt spoke at Kirby Muxloe Free Church in Leicester, Gordon Temple shared at his local Anglican church in Welford and David Palmer was at St Paul's C of E in New England, Peterborough. We were all very well received and had good opportunities to share about the work of Torch. In the autumn we are hoping to forge stronger links with the churches by inviting them to come and see all the various operations at Torch House. We are grateful to God for all the many openings to share with others the work He has called us to undertake.

International News

Janet Stafford thanks you for your prayers. Her knee has healed well and she's making good progress with mobility. Praise God!

Holiday News

Neil Humphrey from Kettering says of the recent Ready for Action week: "We had a fantastic time with activities including horse riding, row boating, abseiling, bungee trampolining, a trip to Alton Towers for two days and a trip to London to see 'Sister Act' at the Palladium. We had glorious weather all the time and the food was wonderful. People on the holiday came from as far away as Northern Ireland and Scotland and all were great company."
