NEWS!

SEPTEMBER 2010

Regional News

Our TFGs provide blind and partially sighted people with significant social contact and interesting activities in their localities. Recently TFGs in South Wales launched the 6th Gower Walking Festival with a walk along the beautiful Swansea coast. It was such an enjoyable event, with opportunities to meet blind people from other groups, that the walk will definitely take place again in June next year. And later this month a new Torch Fellowship Group launches in Ballymena, Northern Ireland.

International News

Michael Stafford is in Malawi and continuing to support and help Stanley Mojo the newly appointed Administrator. Praise God for Michael's protection as he has travelled to a number of Fellowship Groups. He reports good meetings and fellowship but many suffering from a desperate shortage of food. We continue to receive letters from recipients of the Torch magazine from all over the world telling of blessings and appreciation for the magazine.

Literature News

Members of the Torch staff team took a stand recently at Sight Village in Birmingham. It was a great opportunity to meet with professionals working in the field of sight loss who need to be aware of what Torch can offer their clients, as well as meeting friends old and new. Among the many good things on offer on the Torch stand was the first-ever DAISY catalogue, now available in DAISY and print.

Torch House News

We are always delighted by the number of people or groups that visit us at Torch House. Groups as far as Northern Ireland visit us and more recently it was the leaders of the Ammanford Torch Fellowship from South Wales. In total a ten hour round trip by mini bus covering 414 miles! Fantastic! Well done Peter and team!

Holiday News

The holiday season is in full swing at Torch Holiday & Retreat Centre. And new to the holiday programme is a stay at Le Pas Opton resort in France this month, which is attracting a lot of interest. We have at the centre a new nine-seater people-carrier, covered by generous supporters, including a significant donation from a church, which is invaluable for taking guests out on visits.
