Hymn and Worship Song Suggestions

Introduction

This document aims to offer a broad selection of hymns and songs from various styles of worship which we believe are especially appropriate on Sight Loss Sunday. They derive from the following core themes:

- Calling: how is God calling us to use the gifts and skills he has given us?
- Blindness: sight, restoration of sight, light, healing
- Equality: we are all made by God
- Faith: walking by faith not by sight
- The character of God: Jesus as a servant, praise and worship in response to God's mercy and compassion

You may choose from the suggestions in this document or use them as inspiration for your own suggestions.

A brief summary of where to obtain hymn books in accessible formats can be found at the end of this document.
